

How to Access a Uniview Device's Web Interface through EZCloud Account?

How to Access a Uniview Device's Web Interface through EZCloud Account?

Description

Note: This method is applicable to most of the scenarios. If the method still cannot solve your problem, it is recommended to consult our Tech Support Team. <u>https://global.uniview.com/Support/Service_Hotline/</u>

Operating Steps

You can access the web interface from EZCloud website or EZStation.

From EZCloud Website:

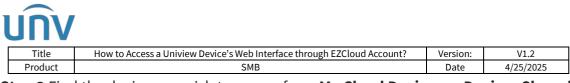

Step 1 Please visit the EZCloud website and log in your EZCloud/EZView account.

https://global.ezcloud.uniview.com/login

| | Username/Email Mobile Phone Number | |
|---|--|--|
| | Lusername/Email | |
| | Username/Email is required. | |
| | Password Password is required. | |
| | Forgot Password? | |
| ~ | Login | |
| | Don't have an account? Sign Up | |
| | and the second sec | |
