

## Frequency and Power of Radio Equipment

|                                      |                                        |
|--------------------------------------|----------------------------------------|
| <b>Manufacturer</b>                  | ZheJiang Uniview Technologies Co.,Ltd. |
| <b>Product Name</b>                  | IP Camera                              |
| <b>Model Name</b>                    | Uho-S3E-M3F3                           |
| <b>Frequency Bands</b>               | 2412-2472MHz                           |
| <b>Maximum Radio-frequency Power</b> | 20dBm                                  |

## Frequenz und Leistung der Funkanlage

|                                      |                                        |
|--------------------------------------|----------------------------------------|
| <b>Hersteller</b>                    | ZheJiang Uniview Technologies Co.,Ltd. |
| <b>Produktname</b>                   | IP Camera                              |
| <b>Modellname</b>                    | Uho-S3E-M3F3                           |
| <b>Frequenzbänder</b>                | 2412-2472MHz                           |
| <b>Maximale Hochfrequenzleistung</b> | 20dBm                                  |

## Fréquence et puissance de l'équipement radio

|                                             |                                        |
|---------------------------------------------|----------------------------------------|
| <b>Fabricant</b>                            | ZheJiang Uniview Technologies Co.,Ltd. |
| <b>Nom du produit</b>                       | IP Camera                              |
| <b>Nom du modèle</b>                        | Uho-S3E-M3F3                           |
| <b>Bandes de fréquence</b>                  | 2412-2472MHz                           |
| <b>Puissance maximale en radiofréquence</b> | 20dBm                                  |

## Frecuencia y potencia del equipo de radio

|                                           |                                        |
|-------------------------------------------|----------------------------------------|
| <b>Fabricante</b>                         | ZheJiang Uniview Technologies Co.,Ltd. |
| <b>Nombre del producto</b>                | IP Camera                              |
| <b>Nombre del modelo</b>                  | Uho-S3E-M3F3                           |
| <b>Bandas de frecuencia</b>               | 2412-2472MHz                           |
| <b>Potencia máxima de radiofrecuencia</b> | 20dBm                                  |

## Frequência e Potência do Equipamento de Rádio

|                                                    |                                        |
|----------------------------------------------------|----------------------------------------|
| <b>Fabricante</b>                                  | ZheJiang Uniview Technologies Co.,Ltd. |
| <b>Nome do Produto</b>                             | IP Camera                              |
| <b>Nome do Modelo</b>                              | Uho-S3E-M3F3                           |
| <b>Faixas de Frequência</b>                        | 2412-2472MHz                           |
| <b>Potência Máxima de Frequência Radioelétrica</b> | 20dBm                                  |

## Frequentie en vermogen van het radiatoestel

|                                             |                                        |
|---------------------------------------------|----------------------------------------|
| <b>Fabrikant</b>                            | ZheJiang Uniview Technologies Co.,Ltd. |
| <b>Productnaam</b>                          | IP Camera                              |
| <b>Modelnaam</b>                            | Uho-S3E-M3F3                           |
| <b>Frequentiebereiken</b>                   | 2412-2472MHz                           |
| <b>Maximale<br/>radiofrequentievermogen</b> | 20dBm                                  |

## Frequenza e Potenza del Dispositivo Radio

|                                           |                                        |
|-------------------------------------------|----------------------------------------|
| <b>Produttore</b>                         | ZheJiang Uniview Technologies Co.,Ltd. |
| <b>Nome del Prodotto</b>                  | IP Camera                              |
| <b>Nome del Modello</b>                   | Uho-S3E-M3F3                           |
| <b>Banda di Frequenza</b>                 | 2412-2472MHz                           |
| <b>Potenza Massima di Frequenza Radio</b> | 20dBm                                  |

## Częstotliwość i moc urządzenia radiowego

|                                               |                                        |
|-----------------------------------------------|----------------------------------------|
| <b>Producent</b>                              | ZheJiang Uniview Technologies Co.,Ltd. |
| <b>Nazwa produktu</b>                         | IP Camera                              |
| <b>Nazwa modelu</b>                           | Uho-S3E-M3F3                           |
| <b>Pasma częstotliwościowe</b>                | 2412-2472MHz                           |
| <b>Maksymalna moc częstotliwości radiowej</b> | 20dBm                                  |

## Frekvence a výkon rádiového zařízení

|                                           |                                        |
|-------------------------------------------|----------------------------------------|
| <b>Výrobce</b>                            | ZheJiang Uniview Technologies Co.,Ltd. |
| <b>Název produktu</b>                     | IP Camera                              |
| <b>Název modelu</b>                       | Uho-S3E-M3F3                           |
| <b>Frekvenční pásmo</b>                   | 2412-2472MHz                           |
| <b>Maximální rádiová frekvenční výkon</b> | 20dBm                                  |

## Frecvența și puterea echipamentului radio

|                                          |                                        |
|------------------------------------------|----------------------------------------|
| <b>Producător</b>                        | ZheJiang Uniview Technologies Co.,Ltd. |
| <b>Numele produsului</b>                 | IP Camera                              |
| <b>Numele modelului</b>                  | Uho-S3E-M3F3                           |
| <b>Bande de frecvență</b>                | 2412-2472MHz                           |
| <b>Puterea maximă de frecvență radio</b> | 20dBm                                  |

## Ч е с т о т а и м о щ н о с т н а р а д и о у р е д ж а й н и я

|                                  |                                        |
|----------------------------------|----------------------------------------|
| Производител                     | ZheJiang Uniview Technologies Co.,Ltd. |
| Име на продукта                  | IP Camera                              |
| Модел                            | Uho-S3E-M3F3                           |
| Честотни диапазони               | 2412-2472MHz                           |
| Максимална радиочестотна мощност | 20dBm                                  |

# Frekvenca i snaga radioopreme

|                                     |                                        |
